

MONSIEUR CHAUSSURE'S PEDIMETER

1

Standing, place your heel along the dots.

2

Stand straight with your feet flat on the floor and mark the front and back ends of your foot.

3

If the mark of your heel overlaps the dots, this confirms that your foot was well placed.

4

The front mark defines your size. If you are between two sizes, choose the smaller.

IS THIS WELL PRINTED ON A SCALE?

To check if the pedimeter has been printed at 100%, get a ruler and measure the scale above.
It must be 5cm.
